

SRIKANTH BABU YERRAGUNTA

SAP S/4HANA MM Consultant | Procurement & Inventory | DACH Region

Suitbertusstrasse, 40223 Düsseldorf, Germany | +49 15219120330 | Srikanth.Yerragunta@gmail.com
<https://www.linkedin.com/in/srikanthyerragunta/>

PROFESSIONAL SUMMARY

SAP S/4HANA MM Consultant with hands-on configuration experience across procurement, inventory management, valuation and FI-MM integration, backed by 15 years of enterprise consulting and 5+ years of DACH client-facing delivery. Brings strong business process understanding, warehouse operations grounding and structured SAP MM implementation training.

Completed a full end-to-end MM configuration portfolio for a German manufacturing scenario, covering P2P, Material Ledger, OBYC, subcontracting, consignment, MRP, and cross-module integration (MM-FI/SD/PP).

Permanent resident in Germany. Available with 2-week notice period.

15 Yrs Consulting	5+ Yrs DACH	S/4HANA MM	P2P End-to-End	MM-FI/SD/PP	SAP Activate

PROFESSIONAL EXPERIENCE

Warehouse Operations & Supply Chain Process

Sep 2024 – Present

Amazon Logistik | Mönchengladbach, Germany

- Worked in high-volume warehouse and inventory operations environment supporting inbound/ outbound logistics processes
- Hands-on exposure to goods receipt, goods issue, stock movements, cycle counting, and inventory accuracy
- Practical understanding of warehouse-to-ERP integration in large-scale distribution environment relevant to SAP MM/EWM

Founder & Managing Director

Sep 2023 – Nov 2024

SNTechSales Solutions GmbH | Düsseldorf, Germany

- Established and operated a technology consulting firm, managing legal setup, contracts, supplier onboarding, and RFPs
- Secured partnerships with AWS, Microsoft, TD SYNnex, Salesforce, Creatio
- Achieved Volkswagen Group supplier registration through full compliance documentation
- Delivered a back-office automation PoC using LLM and no-code tooling
- Managed sourcing, quoting, and procurement cycles as an authorized TD SYNnex reseller
- Transitioned focus toward SAP S/4HANA MM consulting

Senior Manager, Client Services

Jan 2020 – Aug 2023

Nous Infosystems | Düsseldorf, Germany

- Primary client-facing lead for governance and delivery across SAP S/4HANA, test automation, and digital initiatives, ensuring alignment between business stakeholders and cross-functional delivery teams.
- Led coordination of performance testing and validation for a large SAP S/4HANA transformation (Hybris on HANA) for an €80B global retailer, coordinating 150+ interfaces across procurement and supply chain.
- Maintained structured governance, reporting, and communication across a 20+ member onsite/offshore team, ensuring continuity during critical testing and go-live phases.
- Managed cross-functional teams (SAP, integration, data, supply chain), acting as the first escalation point to resolve delivery bottlenecks (test data gaps, access delays, cross-module dependencies).
- Supported Tricentis Tosca automation initiatives, gaining practical exposure to automated testing approaches across SAP and enterprise landscapes.
- Managed partner alliances with Microsoft, Tricentis, Salesforce, MuleSoft, supporting joint initiatives and digital application delivery.
- Contributed to SAP S/4HANA and ECC transformation proposals for DACH clients, preparing solution positioning and delivery strategy documentation.
- Coordinated AI/ML-driven predictive maintenance and data migration pilots for a €20B industrial manufacturer across European operations.

ERP & Technology Consulting — Various Roles

May 2009 – Dec 2019

Germany · India · USA

- Delivered ERP/IT support, requirements analysis, functional testing, and QA across US and European engagements
- Built foundations in SAP ECC, supply chain processes, and enterprise systems
- Developed strong documentation, requirements gathering, and stakeholder communication skills
